COMPETE FOR THE CAUSE CORPORATE CHALLENGE

18 HOLE GOLF

- Arrive an hour early for your tee time.
- The tournament structure consists of a four-person best-ball scramble (any combination of men and women -- can have all men or women). All players (in any order) drive their ball off the tee box. The "best ball" is then chosen. The place where this ball is located is then marked (usually by a tee). Each player must then hit their second shot from this location (the ball must be placed within 6" of the "marker").
- Once on the green, this same process is followed with these exceptions: 1) each ball should be placed and puttied from a spot as close to the "marker" as possible; and 2) the first ball in the hole is the ball that is counted (do not "tap in" until all balls have been puttied and mark all puttied balls).
- If the ball that is chosen is in a sand bunker, the balls must be dropped and not placed.
- Play from the WHITE tee markers if you are a man age 65 or younger. Play from the GOLD tee markers if you are a man age 65 or over. Play from the RED tee markers if you are a woman.
- Each team must use at least one tee-shot from each team member during the round, including Par 3s.
- The expected play when your group has three people instead of four is to play a three-person scramble - you do not get your fourth shot.
- To speed up play:
 - If the putt is within a putter's grip of the hole, you don't have to putt it in, just count it as a stroke and move on.
 - On all par 5 holes, please let the following team hit up to the green before you putt.

- It is recommended that each player use their own set of clubs.
- Tie-breaker will be a randomly selected hole by an employee of the golf course.
- Please drive the golf carts responsibly by using cart paths whenever possible, by obeying all signs, and by not driving inside the white line around the greens. Please fix all ball marks on the greens and repair all divots.
- This event is conducted on the honor system. We expect all rules to be followed and no cheating to occur.
- Participants must contact the golf course if inclement weather occurs.
- Cut-off shirts are not allowed.

THE MISSION BEHIND THE COMPETITION

The Y for All Campaign

As a participant in Corporate Challenge, you support the Y cause! Corporate Challenge is held to benefit the Y for All Annual Campaign, which is our fundraising campaign to make sure the Y's facilities and services remain **accessible to everyone in our community**.

100 percent of Y for All funds come from generous donations from the community. Those donations are then given back to those in the community who need a little support. Y for All provides **financial assistance** for Y memberships and programs, such as camp and early childhood education.
