THE MISSION BEHIND THE COMPETITION

The Y for All Campaign

As a participant in Corporate Challenge, you support the Y cause! Corporate Challenge is held to benefit the Y for All Annual Campaign, which is our fundraising campaign to make sure the Y's facilities and services remain **accessible to everyone in our community**.

100 percent of Y for All funds come from generous donations from the community. Those donations are then given back to those in the community who need a little support. Y for All provides **financial assistance** for Y memberships and programs, such as camp and early childhood education.
