COMPETE FOR THE CAUSE CORPORATE CHALLENGE

CLOSEST TO THE PIN

- Each participant will get five shots from a distance of approximately 100 yards. Their closest shot will be recorded.
- The final location of where the ball rests is what we will use to judge a shot, not whether or not it passes through an area while still moving.
- Each participant will be allowed to swings and misses not counted towards their five shots.
- Participants can use their own club, but must use the balls provided by the Y.

THE MISSION BEHIND THE COMPETITION The Y for All Campaign

As a participant in Corporate Challenge, you support the Y cause! Corporate Challenge is held to benefit the Y for All Annual Campaign, which is our fundraising campaign to make sure the Y's facilities and services remain **accessible to everyone in our community.**

100 percent of Y for All funds come from generous donations from the community. Those donations are then given back to those in the community who need a little support. Y for All provides **financial assistance** for Y memberships and programs, such as camp and early childhood education.
