COMPETE FOR THE CAUSE CORPORATE CHALLENGE

INDIVIDUAL CORNHOLE

1. All participants receive 16 throws (four rounds of four) and try and accumulate the best score they can.
2. A bean bag through the hole will result in three points, while a bag resting on the platform is worth one point.
3. Platforms are 27 feet apart. Participants may stand to the side of the platforms, and may not step in front of them at any time while throwing.
4. Throws that come up short and then bounce onto the board will not be counted. If the throw hits the grass first, no points are awarded.

THE MISSION BEHIND THE COMPETITION

The Y for All Campaign

As a participant in Corporate Challenge, you support the Y cause! Corporate Challenge is held to benefit the Y for All Annual Campaign, which is our fundraising campaign to make sure the Y's facilities and services remain **accessible to everyone in our community**.

100 percent of Y for All funds come from generous donations from the community. Those donations are then given back to those in the community who need a little support. Y for All provides **financial assistance** for Y memberships and programs, such as camp and early childhood education.
