## COMPETE FOR THE CAUSE CORPORATE CHALLENGE

### PAR 3 GOLF

1. The event consists of a four-person best-ball scramble. All players (in any order) drive their ball off the tee box. The “best ball” is then chosen. The place where this ball is located is then marked. Each player must then hit their second shot from this location (the ball must be placed within 6” of the marker).
2. Once on the green, this same process is followed with these exceptions:
  - each ball should be placed and putted from a spot as close to the marker as possible
3. If the ball that is chosen is in a sand bunker, the balls must be dropped and not placed.
4. Each team must use at least one tee-shot from each team member during the round. On hole #5, you will play from the further back tees and attempt to hit over the water.
5. The expected play when your group has three people instead of four is to play a three-person scramble; you do not get your fourth shot.
6. To speed up play: If the putt is within a putter’s grip of the hole, you don’t have to putt it in; just count it as a stroke and move on.
7. This event is conducted on the honor system. We expect all rules to be followed and no cheating to occur. Please total your scorecard and hand it into the scorer at the clubhouse.
8. Participants will be able to schedule their own tee times with the course to play their round this year. Please see the website for more details, but there will be opportunities throughout the entire month to play.

## THE MISSION BEHIND THE COMPETITION

### The Y for All Campaign

As a participant in Corporate Challenge, you support the Y cause! Corporate Challenge is held to benefit the Y for All Annual Campaign, which is our fundraising campaign to make sure the Y's facilities and services remain **accessible to everyone in our community**.

100 percent of Y for All funds come from generous donations from the community. Those donations are then given back to those in the community who need a little support. Y for All provides **financial assistance** for Y memberships and programs, such as camp and early childhood education.
